

CELEBRATING *a* DECADE *of* PROTECTING SAN DIEGO

2018 SPONSORSHIP GUIDE

OVERVIEW

The InfraGard San Diego is a FBI-affiliated nonprofit 501(c)3 organization that mitigates criminal and terrorist threats, risks and losses for the purpose of protecting our region's critical infrastructure and the American people. The national InfraGard program was launched in 1996 and now comprises over 80 regional chapters. Founded in 2005, the San Diego chapter covers both San Diego and Imperial Counties and has established itself as a leader nationwide, setting the highest standards for programs, training and education. For the last decade, we have contributed to a safe and secure San Diego via an all-threats, all-hazards approach.

By supporting InfraGard, your organization will take a leadership role in making a positive difference in your industry and your community. InfraGard sponsors have an unparalleled opportunity to become better informed on the terrorism and law enforcement issues affecting the San Diego region and the nation at large. The presentations offered to the private sector by InfraGard and our partners at the Department of Homeland Security (DHS) and the San Diego Law Enforcement Coordination Center (SD-LECC) are unmatched as tools of learning and information sharing. You and your staff will have access to first-class education, peer networking, and most importantly, the opportunity to be actively engaged in protecting your industry, your community and your organization.

As a groundbreaking collaboration between the public and private sectors, InfraGard also offers our sponsors a highly coveted and targeted demographic. Our members include both private businesses and public agencies that represent the 16 critical infrastructure sectors established by the DHS, as well as government, academic institutions, first responders and state, local and federal law enforcement agencies. InfraGard's success can be attributed to the unprecedented communication, collaboration and coordination it has forged at the epicenter of America's most critical resources.

InfraGard members operate in all 16 DHS Critical Infrastructure Sectors, as well as additional sectors that were established to meet region-specific needs.

From small businesses to multinational enterprises, InfraGard members are business and security stakeholders who are dedicated to sharing information and intelligence to prevent hostile acts against the United States. All members are vetted by the FBI and pass comprehensive background checks prior to being accepted to InfraGard. The trust inherent in those who have successfully passed these checks is unmatched in any other public-private partnership in the country. InfraGard is proud to collaborate with the FBI, DHS and the San Diego Law Enforcement Coordination Center in the continued protection of our region and our people.

SPONSORSHIP LEVELS

In support of our mission, InfraGard provides a wide variety of training and education programs for our members. As a nonprofit 501(c)3 organization, we rely upon contributions from corporate sponsors to help defray the costs of these vital initiatives. Our sponsorship program is designed to provide our partners with targeted exposure, numerous value-added benefits, and the chance to make a positive impact in the communities they serve.

Our sponsors truly stand beside us in representing America's front line. With your financial support, InfraGard San Diego will continue to be a force multiplier in the protection of our region's critical infrastructure and the American people.
